

Personalized and Proficiency Based Learning in a Digitally-Rich Environment

Student Voice

June 5, 2014 Coalition Meeting

+ Meeting Objectives

- To listen carefully to what students have to say about their educational experiences
- To learn how we might create an educational system that is personalized to best meet student learning needs
- To identify promising practices and gaps

+ Agenda – April 9, 2014

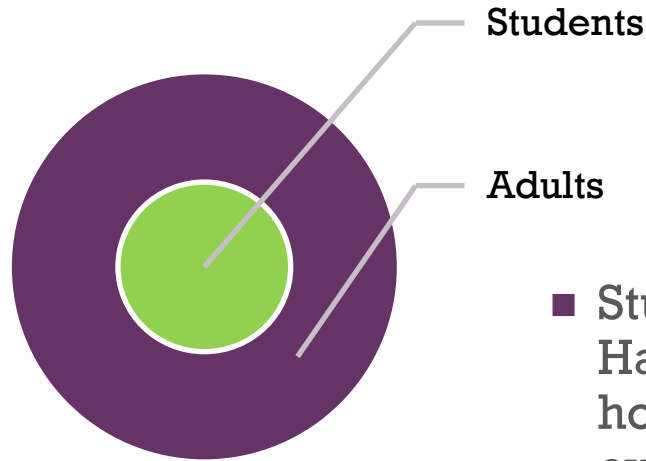

- | Welcome and Introductions (10 min.)
- | Student Activity Directions (5 min.)
- | Student Conversation (60 min.)
- | FUSE RI – Highlander Institute (25 min.)
- | Coalition Member Updates (10 min.)
- | Wrap-up (5-10 min.)

Student Activity Directions

- **Students:**
Have a conversation about their experiences and how we might make the learning experience even better!
- **Adults:**
Listen / Learn / Identify promising practice and areas of improvement
- **Student Voice Evidence and Gaps Activity**
